

MyNavy Messages Mobile Application

Released 2025

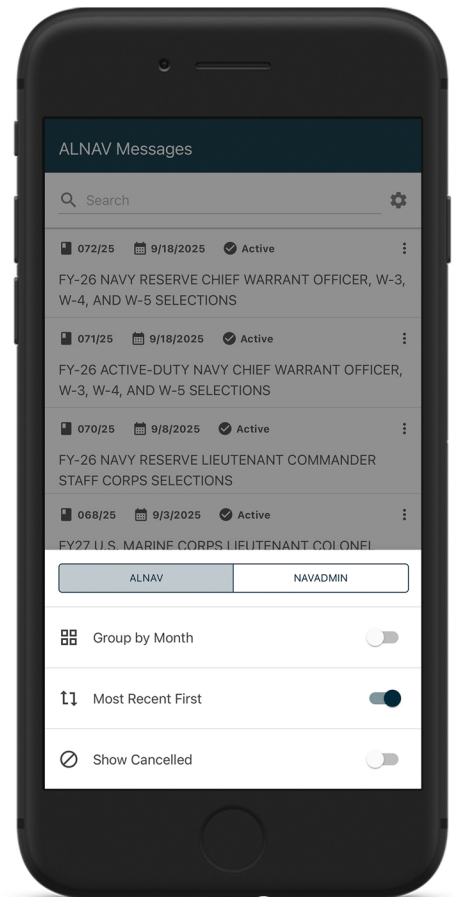

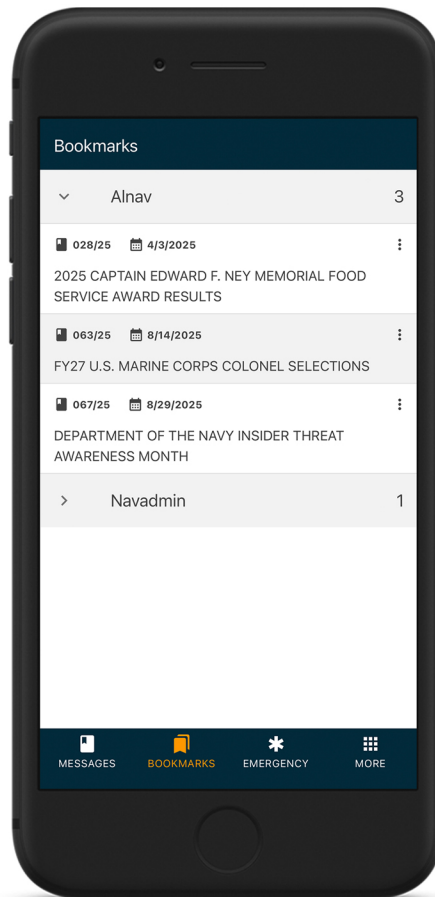

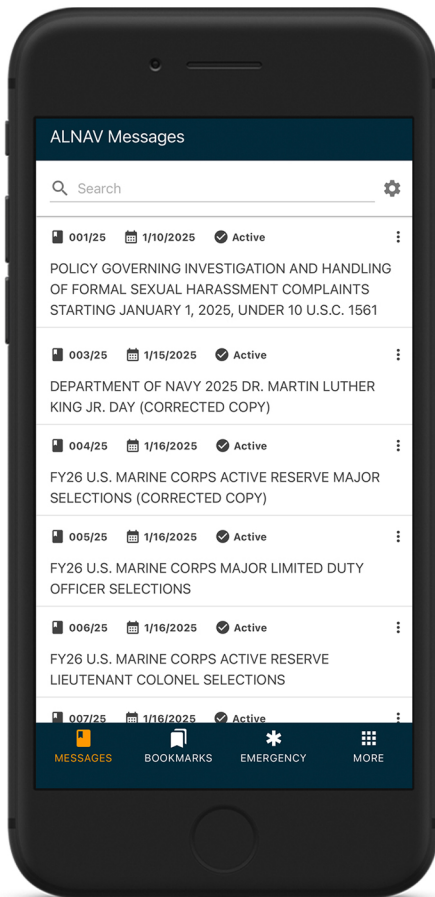

An official US Navy mobile application made available by MyNavy HR IT Solutions

What is MyNavy Messages Mobile Application?

Developed at the request of Sailors across the US Navy, the MyNavy Messages app is the Navy's official, free NAVADMIN and ALNAV message viewer. Brought to you by MyNavy HR IT Solutions, the app allows users to easily search, filter, download, and share the most up-to-date official communications. Users can access downloaded content offline – anytime and anywhere.

You Asked, We Listened!

This app was developed based on feedback and requests from Sailors and civilians throughout the US Navy. Scan the QR code below to share your feedback; we are listening!
