

# What's New For You

## MNP R29 Features

Fall 2025

**BLUF:** Release 29 (R29) provides Sailors with upgrades to both the private and public sides of MNP that enhance ease of access for MNP Users. Those changes are shown in brief below.

## Redesigned Career Life Event (CLE) Pages

CLE pages now have two Sailor-requested additions. The "I want to..." card provides users easy links to high-interest sites associated with the CLE. The overview page also adds a carousel featuring relevant mobile apps. Clicking an app icon will bring users to the Navy App Locker, where they can download that app.

**Training, Education, Qualifications (TEQ)**

The Training, Education, Qualifications Career & Life Event (CLE) site is your gateway to the professional training and voluntary education resources you need to be successful throughout your Navy career.

- Download and follow your enlisted [Learning and Development Roadmap \(LaDR\)](#).
- Enroll in [USMAP](#) to earn a civilian apprenticeship while on Active Duty.
- Obtain [Professional Resources](#) supporting Fleet training programs (login required).
- Start your journey to higher education with the [Navy College Program](#).
- Visit [MilGears](#) for in-service and post-service career goals, credentialing, and academic possibilities.
- Visit [Navy COOL](#) to learn how civilian credentialing supports Navy professional development.

## Quick Links Classic

In response to user feedback, users can now search the database and browse the most popular links. The page will also indicate when a link is added or updated.

## New User Aids

In response to user feedback, Sailors now have access to three powerful, new user aids: the promotion checklist, advancement checklist, and detailing countdown. Available to download in PDF, these tools help Sailors stay organized as they progress through their Navy career.

## Advancement & Promotions Dashboards

The Advancement & Promotions dashboard has been retired. Its capabilities have been moved to the Sailor Landing Page.
