

How To: Change your MyNavy HR Account Username

1) Visit **my.navy.mil** and select the **Log In** option.

2) Select the **Log In With CAC** button

3) Once logged in, select your name at the top-right of your screen and select the **MyNavy HR Account** option.

4) In the **Username** section, enter the email address you would like to use for your MyNavy HR Account username, then select **Save**.

Note: Your username can be but does not have to be your Navy email address.
